COLOUR: The colour rating is the likelihood of an Area achieving their end of year milestones/targets. Targets vary by Area.

- Green: :- Given current trajectory, end of year milestone/target is likely to be met
- Amber/Green: :- Given current trajectory, there is a small risk that end of year milestone/target will not quite be met
- Amber/Red: :- Given current trajectory, there is a significant risk that end of year milestone/target will not be met
- Red: :- Given current trajectory, there is a very significant risk that end of year milestone/target will not be met

TREND: ▲ Performance improving since last quarter. ▼ Performance deteriorating since last quarter. Assessment relative to colour rating only.
