Colour: The colour rating is the likelihood of an Area achieving their end of year milestones/targets. Targets vary by Area.

- Green : Given current trajectory, end of year milestone/target is likely to be met
- Amber Green : Given current trajectory, there is a small risk that end of year milestone/target will not quite be met
- Amber Red : Given current trajectory, there is a significant risk that end of year milestone/target will not be met
- Red : Given current trajectory, there is a very significant risk that end of year milestone/target will not be met

Trend: ▲ Performance improving compared to last quarter. ▼ Performance deteriorating compared to last quarter. Assessment relative to colour rating only.
