**Statistics on corporate manslaughter convictions**

**Freedom of Information Act 2000 Request**

**Request.**

***I ask for details of convictions, but if you have information about the number of prosecutions as well, that would be useful. I don't need details of the cases, just the total.***

**Response**

In response to the above request including cases in which the proceedings are on-going, there have been 25 prosecutions for corporate manslaughter. Of these, 20 have resulted in conviction.
