1. Offences recorded in the Management Information System Offences Universe are those which reached a hearing. There is no indication of finalisation.

2. Data relates to the number of offences recorded in magistrates' courts, in which a prosecution commenced, as recorded on the Case

3. Offences data are not held by defendant or outcome.

4. Offences recorded in the Offences Universe of the MIS are those which were charged at any time and reached at least one hearing. There is no indication of final outcome or if the offence charged was the substantive offence at finalisation.

1. CPS data are available through its Case Management System (CMS) and associated Management Information System (MIS). The CPS does not collect data that constitutes official statistics as defined in the Statistics and Registration Service Act 2007.

2. These data have been drawn from the CPS's administrative IT system, which (as with any large scale recording system) is subject to change as more information is recorded by the CPS. We are committed to improving the quality of our data and from time to time some unexpected variance in some future data sets.

3. The official statistics relating to crime and policing are maintained by the Home Office (HO) and the official statistics relating to sentencing and the judiciary are maintained by the Ministry of Justice (MOJ).
