Freedom of Information Act 2000 Request

Request for all internal reports/memos/papers on the progress of the Radox retesting issue

Request

If you are unable to go through all the records, please could you instead send me all internal reports/memos/papers on the progress of the Radox retesting issue?

Response

In response to the above, the police have been organising the retesting of Radox cases samples and therefore any requests on this should be addressed to them. Their details are below:
