Freedom of Information Act 2000 Request

Confiscation orders issued by the court in favour of the prosecution since 2014, and how many the CPS enforced by making an application for a compliance order

Request

Out of the confiscation orders issued by the court in favour of the prosecution since 2014, how many did the Crown Prosecution Service enforce by making an application for a compliance order?

In line with Section.13A of the Proceeds of Crime Act 2002, introduced by Section.7 of the Serious Crime Act 2015. For those tendered, how many did the court rule in favour of the prosecution?

Response

The Crown Prosecution Service (CPS) does not hold a central record of applications made for compliance orders, as described in your request. We therefore do not capture how many orders were made or refused by the court.
