Freedom of Information Act 2000 Request

Actions taken against Climate Change Protesters in April 2018 on Waterloo Bridge

Request

- 1. How climate protestors were arrested in April 2019 on Waterloo Bridge under a Section 14?*
- 2. For how many of these arrestees was this a first offence? In the case of multiple offenders, please distinguish those who have only been arrested for environmental related actions.*
- 3. How many of these Waterloo Bridge April arrestees were noted to be of previous good character?*
- 4. How many of these Waterloo Bridge April arrestees were consequently charged?*

Response

The Crown Prosecution Service does not hold data as described in your request above. This matter is better placed for the police to answer and therefore you should direct your request to them.
